

The
Little Book
of

Iron Age Living

Will Llauerch

There are many books on the market today which describe the Celtic Iron Age. But very few give you the opportunity to find out what it was like to actually live during that time.

In 1997, Will Llawerch got the chance to live alone in a reconstructed Iron Age Celtic Village in West Wales, UK for 14 days as part of an archaeological experiment... This is his story!
